

Job Title: VTC Technician II
Location: Fort Carson, Colorado Springs, CO
Salary: Commensurate with experience

GStek is seeking qualified applicants for a full-time VTC Technician opening to provide support at our Fort Carson location.

Required:

- Active/recent (last 12 months) U.S. Government security clearance
- Minimum of 5 years Video Teleconference Services & Support experience.
- CompTia Security Plus or other IAT level II certification.
- Working knowledge of COMSEC equipment and video cameras, remotes and other peripherals associated with secure and non-secure VTC conferencing.
- Experience with CISCO DX series, MX series, C series and SX series.

Desired:

- BS Degree in Computer Science or Information Systems.

Job Description:

- Install, configure and maintain VTC suites and bridges.
- Maintain, operate and install Polycom and mobile VTCs as needed.
- Coordinate, schedule and establish video conferences both point to point and multipoint VTCs.
- Operate and troubleshoot a variety of VTC and VTC related peripherals as needed.
- Maintain telepresence management suite software, video CODEC, crypto logic equipment, PRI/BRI Setup and TCP/IP routing techniques.

Physical & Mental Requirements: Performance of essential and ancillary functions may require:

- Bending, stooping, and sitting.
- Walking or standing for prolonged periods.
- Ability to lift up to 50 pounds.
- Requires near vision acuity to review written documentation.
- Ability to hear and understand speech at normal room levels and on the telephone.
- Manual dexterity to operate a telephone and keyboard.
- Ability to lift horizontally and vertically.

Clearance:

Selected applicants will be subject to a government security investigation and must meet eligibility requirements for access to classified information.

Background Check:

Selected applicants will be subject to a government security investigation and must meet eligibility requirements for access to classified information. Hire dates are dependent upon the issuance of an interim or final government security clearance.
