

Job Title: Telecommunications Technician I (OSP/ISP)
Location: Letterkenny Army Depot, Chambersburg, PA
Type: Full-time
Salary: \$36.37 an hour plus \$5.40 an hour for Health & Welfare

Requirements:

Qualified candidates will have the following:

- Minimum of five years OSP/ISP telecommunications maintenance and repair experience.
- Experience in installations, removal, maintenance, troubleshooting and repair of voice and/or non-voice communications systems, alarm systems, telephone key systems, PABX's, terminal and communications equipment including line drivers.
- Copper/fiber splicing experience required.
- BICSI Installer 2 (copper and/or fiber) Certification.
- Active/recent U.S. government security clearance.

Physical/Mental Requirements:

While performing the duties of this job, the employee is regularly required to:

- Talk and hear.
- Stand, walk, bend, kneel, stoop, crouch, crawl, and climb.
- Prolonged standing and/or sitting.
- Frequent lifting and moving of items over 50 pounds.
- Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception and ability to adjust focus.
- Perform duties in all weather conditions.
- Understand and follow oral and written instructions.

Job Description:

- Install, repair, and maintain outside and inside plant telecommunication facilities.
- Install, remove, maintain, modify, troubleshoot, and repair voice and/or non-voice communication systems.
- Run cables, key cables to all telephone sets, terminal connectors, lugs, pins, or screws.
- Pull cable, such as copper, twisted pair, optical fiber and other cable types, through conduit, above ceilings and between floors.
- Terminate cable on cross connects, hubs, and routers.
- Repair, install, and maintain outside plant facilities including telephone poles, underground services, and conduit.
- Lift and load equipment and material.
- Assure dependable and uninterrupted operation of telephone communications.
- Troubleshoot and identify malfunctioning or inoperative equipment. Identify problems by using electronic testing equipment.

Background Check:

Selected applicants will be subject to a criminal background check and must meet eligibility requirements for access to military installations.
