

Job Title: Telecommunications Switch Technician
Location: Pueblo Chemical Depot, Pueblo, CO
Type: Full-time
Salary: \$27.62 plus \$4.27 Health and Welfare

GStek is seeking qualified applicants for a full-time Telecommunications Switch Technician opening providing support at our Pueblo location.

Required:

- Minimum of three years experience on the Nortel Meridian 81C switching systems and associated voice mail.
- Ability to program switch and perform MACs to include maintenance, repair, and troubleshooting utilizing switch interface.
- Experience working in a central office environment to include O&M of standard peripheral equipment.
- CompTIA Security Plus certification.
- Active or recent U.S. government Secret security clearance.

Desired:

- Nortel training desired but not required.

Job Description:

- Monitor and diagnose switch alarms.
- Perform routine preventative maintenance on switch hardware and equipment.
- Diagnose and replace faulty switch packs and switching equipment.
- Resolve customer trouble calls related to voice and data issues.
- Install and troubleshoot T-1 circuits.
- Monitor and troubleshoot trunks.
- Perform adds, moves, and changes.

Physical & Mental Requirements:

- Ability to see, hear and talk.
- Bending, stooping, and sitting.
- Walking or standing for prolonged periods.
- Ability to lift up to 50 pounds.

Clearance:

Selected applicants will be subject to a government security investigation and must meet eligibility requirements for access to classified information.

Background Check:

Selected applicants will be subject to a government security investigation and must meet eligibility requirements for access to classified information. Hire dates are dependent upon the issuance of an interim or final government security clearance.
