

**Job Title:** Systems Administrator  
**Location:** Fort Carson, CO  
**Type:** Full-time  
**Salary:** Commensurate with experience

GStek is seeking qualified applicants for a full-time Systems Administrator opening to provide support at our Fort Carson location.

**Required:**

- Minimum of 5 years System Administration services and support experience.
- Microsoft Certified Solutions Associate (MSCA).
  - IAT Level III certification (one or more of the following): CASP+ CE, CCNP Security, CISA, CISSP (or Associate), GCED.
- Active/recent U.S. government security clearance.

**Desired:**

- BS degree in Computer Science or Information Systems.

**Job Description:**

- Support enterprise-level Microsoft server environments to include Microsoft Server 2008 Active Directory with Windows 7 clients, Exchange, WSUS, and/or SCOM technologies.
- Provide application/Windows OS installation/configuration/patching as well as data reporting (application install status, client health, etc.) leveraging Microsoft System Center Configuration Manager.
- Provide technical support by performing installation, repair, and preventative maintenance of PC and related software.
- Troubleshoot software install/configuration failures and provide regular status to customer.
- Apply security patches/configuration changes to workstations within suspenses required by customer.
- Team with information assurance to remediate workstation security issues found during routine checks.
- Participate in new application and hardware rollouts, testing, and special projects as needed.
- Enforce Windows Server Administration standards, policies and guidelines and implement them as needs are identified.
- Maintain continuously updated documentation of key applications in order to facilitate the support and improvement of the platform.
- Install, configure, upgrade, and maintain OS and software packages in support of mission requirements, scheduling installation/upgrades IAW IT procedures, tuning systems to optimize performance and ensuring data recoverability.

**Physical & Mental Requirements:** Performance of essential and ancillary functions may require:

- Bending, stooping, and sitting.
- Walking or standing for prolonged periods.
- Ability to lift up to 50 pounds.
- Requires near vision acuity to review written documentation.
- Ability to hear and understand speech at normal room levels and on the telephone.
- Manual dexterity to operate a telephone and keyboard.
- Ability to lift horizontally and vertically.

**Clearance:**

Selected applicants will be subject to a government security investigation and must meet eligibility requirements for access to classified information.

**Background Check:**

Selected applicants will be subject to a government security investigation and must meet eligibility requirements for access to classified information. Hire dates are dependent upon the issuance of an interim or final government security clearance.
