

Job Title: Telecommunications Switch Technician II

Location: Fort Hunter Liggett, CA

Salary: \$36.63 plus \$4.41 Health and Welfare

GStek is seeking qualified applicants for a Telecommunications Switch Technician opening.

Required:

- Minimum of three years of experience and/or training on the Avaya (Nortel) CS-1000M switching systems and Meridian voicemail system.
- Ability to program switch and perform MACs to include maintenance, repair, and troubleshooting utilizing switch interface.
- Provide tier II switch support.
- Experience working in a central office environment to include O&M of standard peripheral equipment.
- CompTIA Security+ certification within 6 months of hire.
- Ability to obtain a U.S. government Secret security clearance.

Job Description:

- Monitor and diagnose switch alarms.
- Perform translation configurations.
- Perform routine preventative maintenance on switch hardware and equipment.
- Diagnose and replace faulty switch packs and switching equipment.
- Resolve customer trouble calls related to voice and data issues.
- Monitor and troubleshoot trunks.
- Perform adds, moves, and changes.

Physical Requirements:

- Ability to see, hear and talk.
- Bending, stooping, and sitting.
- Walking or standing for prolonged periods.
- Ability to lift 30 pounds.

Clearance:

Selected applicants will be subject to a government security investigation and must meet eligibility requirements for access to classified information. Hire dates are dependent upon the issuance of an interim or final government security clearance.

Background Check:

Offers are contingent upon successful completion of professional reference checks, employment history verification, and background screening.
