

**Job Title:** Telecommunications Engineer  
**Location:** Fort Johnson, LA  
**Type:** Open – Full-Time  
**Salary:** Commensurate with experience

GStek is seeking qualified applicants for a full-time Telecommunications Engineer opening to provide support at our Fort Johnson, LA location.

**Required:**

- Experience in telecommunications management to facilitate all base operations.
- Minimum 3 years' experience in a management position.
- Experience in managing inside and outside plant operations to include Special Projects.
- Ability to manage time, make sound decisions, take independent action, analyze problems, and provide focused solutions for a sizeable staff of diverse areas of expertise.
- Active/recent Secret U.S. Government security clearance.

**Desired:**

- Security Plus certification.
- BICSI certified training.
- RCDD certification, Fiber certifications, familiarity with I3MP.
- Experience with MCA, UMMCA, and SRA Projects.

**Job Description:**

- Meet with Program Manager, Contracting Officer's Representative (COR) and the NEC Director to review operational status, discuss ongoing issues, and provide technical strategy for day-to-day operations and special projects.
- Responsible for all operations, personnel management, and customer support in the Administrative Telephone Support section.
- Oversee the review of system and equipment reports, identify conflicts in tasking, provide recommended solutions, perform site surveys, submit required documents for digging permits.
- Oversee the monitoring and diagnosis of switch alarms, oversee routine preventative maintenance on switch hardware and equipment and all outside plant routine maintenance requirements.
- Oversee diagnosis and replacement of faulty switch circuit packs and switching equipment.
- Oversee the resolution of customer trouble calls.
- Provide day-to-day supervision over sizable workforce.

**Clearance:**

Selected applicants will be subject to a government security investigation and must meet eligibility requirements for access to classified information. Hire dates are dependent upon the issuance of an interim or final government security clearance.

**Background Check:**

Offers are contingent upon successful completion of professional reference checks, employment history verification, and background screening.

GStek, Inc. is proud to be an Affirmative Action/Equal Opportunity employer. All qualified applicants will receive equal consideration for employment. GStek encourages veterans, disabled veterans, and disabled individuals to apply for any open position for which they feel they are qualified.
