

Job Title: Systems Administrator II
Location: Aberdeen Proving Ground, MD
Type: Full-time / Salaried Exempt
Salary: \$88,000 - \$96,000 Annual Salary

Requirements:

- U.S. Citizen
- Active/recent (last 24 months) U.S. government security clearance
- Minimum 4 years of server administration experience, preferably within a DoD facility
- Microsoft Certified: Windows Server Hybrid Administrator Associate or equivalent certification
- CompTIA Security+ certification

Job Description:

- Support enterprise-level Microsoft server environments to include Microsoft Server 2019 Active Directory with Windows 11 clients, WSUS, MECM, and SCOM.
- Provide application/Windows OS installation/configuration/patching as well as data reporting (application install status, client health, etc.) leveraging MECM.
- Provide technical support by performing installation, repair, and preventative maintenance of servers.
- Team with cybersecurity branch to remediate workstation security issues found during routine checks.
- Participate in new application and hardware rollouts, testing, and special projects as needed.
- Implement and enforce Windows server administration standards, policies, and guidelines.
- Maintain documentation of key applications to support the computer systems.
- Install, configure, upgrade, and maintain OS and software packages in support of mission requirements
- Schedule installations/upgrades IAW NEC policies
- Fine tune systems to optimize performance and ensure data recoverability.
