

Job Title: Telecommunications Technician I
Location: Fort Carson, CO
Salary: \$33.45 an hour plus \$5.09 Health and Welfare

Required:

Qualified candidates will have the following:

- U.S. Citizen
- Minimum of three years of telecommunications maintenance and repair experience.
- Experience in installations, removal, maintenance, troubleshooting and repair of voice and/or non-voice communications systems, normally open/closed contact alarm systems, terminal and communications equipment including line drivers.
- BICSI Installer 1.
- Active or recent U.S. government Secret security clearance.
- Valid Driver's License

Job Description:

- Telecommunications infrastructure inspections.
- Install, remove, maintain, modify, troubleshoot, and repair voice and/or non-voice communication systems.
- Install, activate, and repair CAT-6 network cabling.
- Pull cable, such as copper, twisted pair, optical fiber, and other cable types, through conduit, above ceilings and between floors.
- Terminate cable on patch panels, 110, and 66 blocks.
- Repair, install, and maintain outside plant facilities including telephone poles, underground services, telecommunication pedestals, handholes, and manholes, fiber and copper splice cases and conduit.
- The ability to lift and load equipment, material, and lift utility manhole/handhole lids.
- Troubleshoot and identify malfunctioning or inoperative equipment.
- Identify problems by using electronic testing equipment.
- The ability to use a computer to access and close-out work order tickets.
- Familiarity with underground cable locating equipment and procedures.
- Familiarity with copper cable and fiber optic splicing equipment.
- Familiarity with traffic control (training would be given)
- Understanding of building and cable prints/maps.

Physical Requirements:

While performing the duties of this job, the employee is regularly required to:

- Talk and hear.
- Stand, walk, bend, kneel, stoop, crouch, crawl, and climb.
- Prolonged standing and/or sitting.
- Frequent lifting and moving of items over 50 pounds.
- Specific vision abilities required by this position include close vision, distance vision, color vision, peripheral vision, depth perception and ability to adjust focus.
- Perform duties in all weather conditions.
- Understand and follow oral and written instructions.
- Drive company vehicles to work locations.
- Be able to work in confined space environments, i.e., enter and work in utility manholes.

Benefits Offer:

- Medical, Dental, Vision
- Whole and Term Life Insurance
- Short- and Long-term Disability
- Supplemental coverage (Aflac)
- 401(K) with discretionary match
- Paid Vacation, Sick Leave, Holidays
- Paid Bereavement, Military Duty, Jury Duty

Clearance:

Selected applicants will be subject to a government security investigation and must meet eligibility requirements for access to classified information. Hire dates are dependent upon the issuance of an interim or final government security clearance.

Background Check:

Offers are contingent upon successful completion of professional reference checks, employment history verification, and background screening.
